

Target for Today Add-On Module Errata/Clarification – 8 April 2020

On Table 5.3SB in the Heavy Resistance column, on the right, 1D6 + 1D6 die roll of 55, the first plane, a Me110 12/I should be **Me110 12/Lo – Low altitude.**

Do we use the regular German Pilot experience level for the additional Axis fighter pilots? I.e. Ace, Veteran, Green. Or is there a revised one for the minor Axis powers? – **Use the German Fighter Pilot experience levels.**
